

Cannon Group

Roof & Building Consultants

Project: Roof Replacement
CAESAR'S SIXTH FLOOR
Atlantic City New Jersey

Client: **Caesar's Atlantic City**
Atlantic City, New Jersey

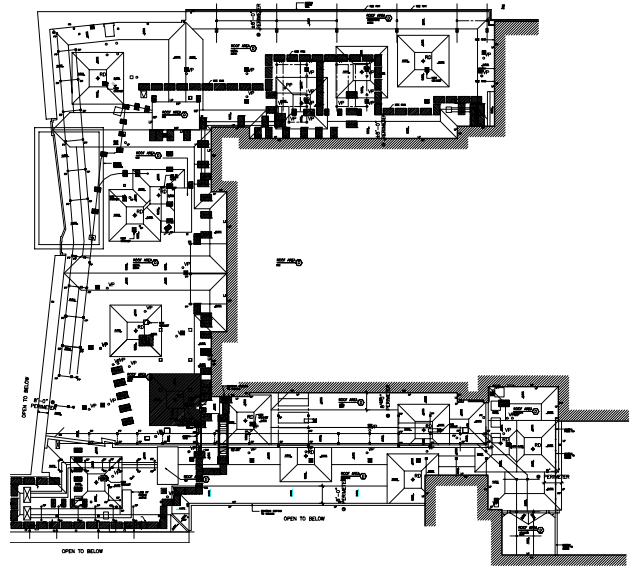

Contractor: Thomas Roofing
Atlantic, City, NJ

Assembly: Modified Bitumen Membrane

Cost: \$604,403

Completion: Spring, 2000

CAESAR'S HOTEL/ CASINO

Comment: Removal and replacement of 34,000 sf of built-up roofing system over numerous roof decks. Installation of a new insulated torched down two ply modified bitumen roof assembly with stainless steel counterflashing and edges were used to prohibit metal deterioration from the elements found at a shore community.
