

OUR LADY OF GRACE

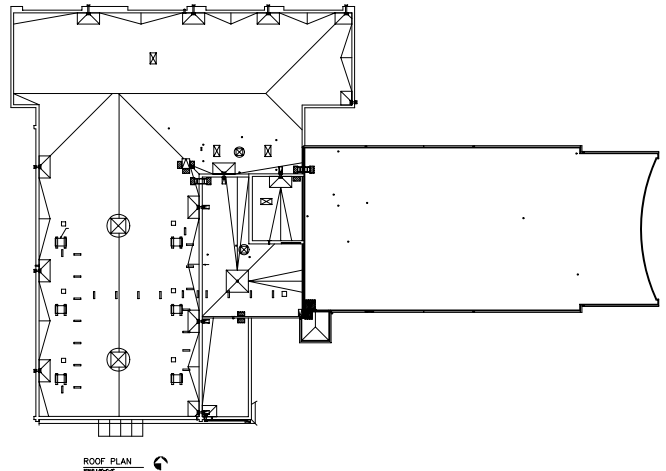

Project: Roof Replacement
OUR LADY OF GRACE
Somerdale, New Jersey

Client: **Diocese of Camden**
Camden, New Jersey

Contractor: Crown Contractors, Inc
North Wales, Pennsylvania

Completion: Under Construction

Cost: Estimated Cost: \$245,735

Comment: This project involved the evaluation of existing roof systems on the Our Lady Of Grace Elementary School, located in Somerdale, New Jersey. This school has five distinguishable roof areas which encompass an approximate total of 21,670 square feet. All roofs were ‘torn-off’ down to the existing deck and replaced with a built-up roofing system.
