

STATE UNIVERSITY OF NEW YORK AT STONY BROOK

Project: Roof replacement and repairs.
**STATE UNIVERSITY OF
NEW YORK AT STONY
BROOK**

New York

Client: **Dormitory Authority of the
State of New York**

New York, New York

Contractor: DME Contracting Inc
West Sayville, New York

Completion: Spring 1994

Cost: 529,863

Comment: Investigative reports on the condition and repair options for the existing 14 buildings of the University led to the various design criteria which established the precedent for phasing the project. Upon review of the scope of work for the project, the decision was made to repair some of the roof and perform total replacement on other roof areas.
